Join us for an expansive time of silence and solitude. Retreat includes a private room (unless otherwise desired) with private bathroom and meals. Vegetarian meals can be accommodated.

Space is limited. Early registration encouraged. A non-refundable deposit of \$100 is requested with your registration. The balance of \$255 can be paid at check in time. A limited number of partial scholarships can be made available.

The Abbey offers us lovely grounds to explore including a path down to the Pecos River.

This is a retreat appropriate for anyone desiring a time of immersion into silence and shared community. There will be multiple Centering Prayer times each day. It would be advised that all attendees have a well-established Centering Prayer/Meditation practice.
